

ClarusApex Human Resources Limited

Company Profile

ClarusApex – is an international recruiting company operating in 46 countries. We globally provide full range of human resources support and recruitment services, labor export and employment all over the world. Now we are one-stop shop of integrated HR solutions in international recruitment projects.

ClarusApex was founded on 2011 with the vision to provide top talent for all industries and levels without the limitations of borders and nationalities. The company is based in Cyprus with offices in Austria, Ukraine and Dubai. The company is entrusted talent sourcing partner for clients in Europe, Middle East and Asia.

ClarusApex represents the next level in international, multi-country talent sourcing. Our clients appreciate an unlimited choice of sourcing countries, professions and levels. The excessive use of social media marketing in combination with classical headhunting techniques provide our customers faster with better talent than they possibly could do by themselves or

1

via local agencies.

Our Services
